

Sauvignon Blanc (Sustainable) Marlborough New Zealand

Harvest & Winemaker's notes:

Harvested at optimum ripeness from our hand-tended vineyards in the heart of Marlborough's Wairau and Awatere valleys. The grapes were gently pressed and fermented at cool temperatures in stainless steel to maximise fruit purity.

Tasting notes:

Bright green/yellow in colour. Aromas of lychee and gooseberries with a hint of leafy complexity. Ripe tropical fruit flavours combine with herbaceous overtones. Full of concentrated fruit with lovely balance on the palate and juicy acidity to finish.
